

Green Thumbs Wanted

The PBS Community Foundation is seeking individuals receiving services through Consolidated Supports and Services (CSS) who would like to volunteer to help in our gardens in Greenlawn and Mt. Sinai.

We need people to help plan, maintain, and cultivate our garden. Whatever your experience level the garden is a spot to socialize, learn new skills, and contribute to the community while having fun.

cultivating success in self-determination.

get your hands dirty!

make new friends!

Spread the good news: Spring is almost here!

develop a hobby or vocational interest!

help your community!

grow flowers!

Participants will be involved in all aspects of planning and working the garden during the season. The food we grow is donated to local food banks.

Contact us ASAP for more information and to get started. A steering committee is being formed.
